The membership process has been changed slightly. There is a Contributing Member Incentive Fee of \$25. Beginning in 2010 your membership invoice will have a Contributing Member Credit. This credit will be worth \$25 toward your membership, thus offsetting the fee. Those of you that contribute to the club with a vocation, capital donation or hours worked will be able to take advantage of the \$25 credit by turning in a voucher attached to your membership card. The contributions will be marked on the previous year's membership card by an officer, committee chair or director and should be used as part of your invoice payment.

Total up the invoice by adding to the invoice any payments for your raffle tickets and the Ipswich Fish and Game, Game Dinner and your membership fees and credits.

Thank you,
The Ipswich Fish and Game Association Staff
