IPSWICH FISH AND GAME NEWS LETTER / APRIL

Meeting started with voting and food at 6:30

First off I would like to thank all those that attended the annual meeting this month. It is good to see the interest in the club and the activities of the club. We elected several new people to help with the business of the club and all offices are filled.

We welcome nine new members this month with first and second readings. They are, Brian Doucette, Jesse Stansfield, Tom Rodgers, Mark Beudet, James DiMarino, Joe Long, William Sullivan, Michael Scotti, and Scott Homan. We also had third readings for Rich Doolan and Robert Riel.

TREASURER: Jared Stansfield gave his last report with saying that he will miss nothing about his position and that we had \$12,422 in checking account with many renewals still coming in.

RIFLE RANGE: Lenny gave us an update about how the backstops were now in place but needed to be filled with sand. Check with Lenny before using the 25 yd. pistol stop. Contact at L_map13@yahoo.com or 978-356-4998. We would like to thank all who helped with the range work. Next up will be the shooting shelter. Contact Lenny if interested in helping or donating any materials.

TRAP: League started Tues. April 15th at 6:30 with five teams shooting. Work was done to sure up the shot screen. Thanks Ted.

ARCHERY: There are still plans to get the 3-D course going for the summer and replace the foam on the outside course. Jason is heading these things up if interested contact at jverhoosky@comcast.net or 978-809-2245.

Game Dinner was a great success thanks to many people who helped in providing meals, raffle items, cleanup, and ticket sales. The final numbers are not in yet on the dollar amount made but it should have been one of our better takes.
