

Welcome to the Ipswich Fish and Game Association. Here are the next steps for new and prospective members.

Your membership ID:

In non-pandemic times we would invite you to have your photo taken by one of the IFGA staff in preparation for making your official ID for IFGA membership. To avoid unnecessary risks, we are asking all new and prospective members to send us a photo, electronically, to use on your membership ID.

Sending us a photo:

1. Using a cell phone camera, have someone take a well-lit, clear headshot photo of you with a light-colored background.
2. Send the photo via text message or e-mail to Eric Josephson.
3. Include your name as it was entered on your membership application.

Become "Ranges certified":

Attend the next "Ranges and facilities orientation" to ensure that your ID is printed with your "Ranges stripe". The meeting is typically at 7:00 PM on the 3rd Monday of each month. Be sure to check for exceptions. See <http://www.ipswichfishandgame.org/events/> and follow us on our Facebook page for the latest schedules and guidance. The meeting is free and is required for you to be able to use any of the ranges at the IFGA.
